

Company Profile

Tayseer Power Co.
Trade, Maintenance & Rental Of Elect. Generators

About Us

Tayseer Power Trading Company is a limited liability company based in Riyadh, Saudi Arabia, specializing in the trade, rental, and maintenance of electrical generators, along with the trade of automotive and equipment oils. Founded in 2012, Tayseer Power is dedicated to achieving its goals and ensuring customer satisfaction through a well-coordinated team of engineers, technicians, sales professionals, and an integrated administrative and financial staff.

With our comprehensive approach, we are focused on delivering high-quality services across Saudi Arabia. We aim to go beyond providing products—we seek to build lasting partnerships with our clients, supporting their businesses with reliable and efficient energy solutions.

Trade, Maintenance & Rental Of Elect. Generators

Tayseer Power Trading Company

Specializing in the trade, rental, and maintenance of electrical generators, along with the trade of automotive and equipment oils.

Our Success

The success and achievements of Tayseer Power are a result of our commitment to professionalism, quality, and safety.

Our company is driven by the ambition and dedication of our management and employees, ensuring that we consistently meet the expectations of our clients while maintaining the highest standards in all our Products.

Our Vision

To be the leading provider of high-quality electrical generator rental, maintenance, and repair services, characterized by our commitment to excellence and our positive impact on business sustainability and development.

To be the preferred supplier of top brands in electrical generators and automotive and equipment oils, delivering exceptional products and services to our clients.

Our Mission

Our mission is to deliver outstanding rental and maintenance services for electrical generators, and to provide exceptional after-sales support for our products.

We prioritize quality, safety, and customer satisfaction, striving to build lasting relationships with our clients by understanding their needs, offering tailored solutions, and contributing positively to the industries we serve.

Service Center

Expert Generator Maintenance and Repair

Our Service Center is dedicated to providing top-notch maintenance and repair solutions for generators, ensuring that your equipment operates at peak performance. Staffed by a team of skilled technicians, our facility is equipped with advanced tools and technology to handle a wide range of servicing needs.

We specialize in both preventive and corrective maintenance, tailored to meet the specific requirements of each generator we service. Our comprehensive approach includes thorough inspections, diagnostics, repairs, and parts replacement, ensuring that your generators remain reliable and efficient.

In addition to servicing our rental fleet, we also cater to outdoor customers through tailored service contracts. These contracts provide regular maintenance schedules and priority support, helping you avoid downtime and extend the lifespan of your equipment.

At our Service Center, we are committed to delivering exceptional quality and customer satisfaction. Trust us to keep your generators running smoothly, so you can focus on what matters most.
